

Suite2Go expands financial technology coverage by growing team

PRESS RELEASE

28/05/2020 - 9:39AM

Andrew King, became the latest Suite2Go Principal Consultant joining Leanne Bradley who came on board in 2019, to help service the financial service institutions in Australia/New Zealand with the latest industry leading technology.

Suite2Go, founded in 2017, is the award winning sales and marketing service provider in Australia for international fintech (Financial Technology) businesses. Suite2Go works with some of the world's leading technology providers.

Leanne brings over 20 years experience across the buy side expertise with her to the role and will be mainly based in Sydney. She has held a number of regional senior leadership positions across a number of wealth and asset management firms, most recently with AMP Capital. Leanne also holds a number of board roles. She has been working closely with AxiomSL (regulatory and shareholder reporting) and Tegra118 (Commissions).

Andrew brings a number of new firms to the Suite2Go portfolio of solutions including Romulus (AI), ChartIQ (Charting), Droit(OTC solutions) and iPushPull (Data sharing).

Andrew most recently lead Symphony's operations in Australia and prior to that worked with IHS Markit, and SAI Global. He brings over 20 years of industry experience with him in the fintech sales and business development.

John Ryan, co-founder of Suite2Go said "Andrew and Leanne bring quality service and experience with them, but also a high degree of innovation", adding "which is key to helping firms grow post the pandemic crisis in the new digital emerging world"

“Working with a strong team of industry experts allows me to combine and leverage the strengths, which means that I will be better able to service the financial services industry”, said King.

Leanne added “the world has now shifted to digital and it’s great to be able to bring innovative technology to Australia”

The addition to the team at Suite2Go also marked by a relaunch of the company website, www.suite2go.com
